***Note from the 2008 RHOF/TOH Board:***

*We the Board feel the RHOF/TOH should be the highest award a horse or person can be given in Arabian Racing. Unlike the Darley Awards that are awarded every year, the Board felt these awards, in particular, should showcase only greatness and may not have a person or horse inducted every year.*

*The word GREAT meaning “much higher in some quality or degree; much above the ordinary”.*

*We the board feel that the RHOF & TOH should adhere to the original Mission Statement and Rules that were set by the Arabian Horse Trust Board of directors.*

*Anyone who would like to nominate a horse or person that meets the Rules and Mission Statement for the RHOF & TOH should contact the Arabian Jockey Club or one of the committee members.*

*Reprinted Nov 2014*

*The Racing Hall of Fame/Tent of Honor was transferred from the AHT to the AJC Feb. 23, 2008*

*The AJC oversees and aids the HOF/TOH Committee in the determination of these most prestigious awards.*
